Updates from some of our learned teachers.....

Bill LePere, Mathematics: "I retired in 1993 after 32 years at KP. I still work part-time at Collette Vacations. I summer in Narragansett, RI. I also still have two English cars. A 1979 Spitfire and a 1972 TR6. They occupy a great deal of my time. I meet once a month for breakfast with retired teachers. We meet a Mackies in North Attleboro. I have great memories of KP. I also have enjoyed the KP alumni page. Living in North Attleboro I see many graduates of KP."

Bob Perry, Mathematics: "I retired from the Math Department at King Philip in 1993. My present entertainment activities include reading, golf and playing in Texas Hold'em Tournaments at Foxwoods Casino."

Reflections/Memories: I have nothing but good memories of my years at King Philip.

John Robbins, Business Education:

Still living in Norfolk.

My wife Pat passed away in 2005.

Updates from some of our learned teachers.....

Dave Sumner: "Retired from KP in 2001 after 39 years. Loved teaching and was blessed to have so many good students over the years. Currently semi-retired - running my own business doing interior painting. Now living in Norton with my partner Bob to whom I am legally married. I enjoy photography, nature, cooking, hiking & bicycling. Recently we traveled to the Azores and to Italy and each winter we visit friends in Florida.

Reflections/Memories: I will always remember being in my classroom and learning of the Kennedy assassination. The class of '64 was my second year at KP - so much better than my first year and the infamous class of '63.

Favorite Song of the "Sixties": Anything by the Beatles

Gail (Wexler) Tishler, English: "On May 6, 1967, Lois Curran, Art Teacher & I spent an evening in Boston. That night, I met a guy named Ron Tishler, an eye dr. We got married in '68. We have two sons, Kevin - a director of retail planning for Lacoste. Kev is getting married in October. Dr. Darren, a surgeon is married & has two daughters, ages 4 & 7. I'm currently a middle school guidance counselor in CT." **Reflections/Memories:**

1. 1st teaching job at KP when I was 21 years old. I paid student prices for lunch for several weeks until cafeteria staff realized I was a teacher.
2. Chaperoning proms at KP Ballroom.
3. Chaperoning trip to NY.
4. Drama Club - directing Cyrano DeBergerac with Elaeonor Altar.
5. Skiing with my teacher friends.
6. Teaching with a wonderful staff at KP and kids I'll never forget!

Favorite Song of the "Sixties": Beatles - "Imagine"
